# SensAlarm® Plus Replacement and Upgrade Notice

The SensAlarm Plus all-in-one system will be discontinued March 1, 2024.

SENSALARM® FLEX

Sensidyne officially designates the **SensAlarm Flex** as the successor system for the SensAlarm Plus. The SensAlarm Flex is comparable with our SensAlarm Plus and represents our latest flagship model, incorporating new advanced features and unparalleled flexibility to meet a diverse range of critical safety applications. Not only is the SensAlarm Flex technologically superior, it also provides a more cost-effective solution..
